

*We need your help to  
make our  
neighborhood safer!*

# *Why does MAMA need to continue Constable Patrol?*

- After seeing a **50% increase in crime** in the MAMA boundaries in 2015, there has been a **dramatic decrease** since the Constable Patrol started in March 2016.
- We continue to see **more cut-through traffic and transients** due to traffic and construction in our adjacent streets.
- Constables are **certified peace officers** and can ticket, arrest, and if necessary, use force to deter and stop crime.
- **Property value and neighborhood desirability are increased** when there is a Constable presence.
- **Our Deputy has gotten to know our neighborhood extremely well**, met many of our residents, and responds quickly when on duty to any calls or issues.

## *How can I participate?*

### *Sign up on the back of this form and mail in!*

Having a dedicated Constable isn't free, it's approximately \$80,000 a year. We are asking you to become a member at the level you feel you can participate. The whole neighborhood will benefit but members will receive specific benefits.

#### **Membership Levels:**

- Underwriter - \$1,500 / year.
- Sponsor - \$1,000 / year
- General - \$500 / year

**\* Constable Membership includes MAMA annual membership valued at \$35**

## *What are the benefits of being a member?*

- We will have a **dedicated Constable** assigned to our neighborhood and access to other area Constable resources.
- Our Constable will be the **first responder** to your alarm system.
- You will have a **direct contact number** for the Constable's office.
- There will generally be a **faster response time** to calls due to their close proximity to the neighborhood.
- The Constable can put your house on **vacation patrol** when you are out.
- You will have **Constable assistance** with any parking, traffic, or noise issues or violations.
- **Highly visible yard sign** warning that the home is patrolled by a Constable.
- Home **security inspections** to find vulnerabilities.
- **Special programs**, classes, and meetings so that you can be more proactive in enhancing your safety including self-defense / rape prevention.
